

ern, high-quality learning environment by caring teachers, experienced in the needs of this age group. Children are encouraged to learn through play and they are prepared both socially and academically to move into the Main Prep School at the age of 6 years (Year 2).

Nairobi Academy satisfies the criteria for children's education, identifying and assessing individual needs, paying attention both to personal and social development as well as to physical and creative needs, and giving the children a sense of language, literacy and math.

### Extra Curricular Activities

These are optional and the classes will be held in Break times, so that no lessons are missed. Classes available: TaeKwondo, Monkeynastixs, Dance Classes, Pottery, Roller Skating and Horse Riding.

### Sports

### How to find us

*We are on Langata Road, 4 kilometres from the entrance to National Park, on the right, going towards Karen, next to Mamba Village.*

## Welcome:

We would like to welcome you very warmly to the Nairobi Academy Pre Prep Centre.

The Pre Prep provides a warm, caring and safe place for

*Miss. Rosie Bone* your children. Learning and fun go hand-in-hand and our aim is to create and encourage a love of learning within an environment that stimulates and builds self-confidence. The children experience a wide variety of activities, which will help them to develop and enable them ultimately to gain success in whatever area their talents take them.

## Introduction:

The Pre Prep cares for children between the ages of 2 – 6 years. Our classes are as follows:

PP1 2 – 3 years, PP2 3 – 4 years, PP3 4 – 5 years, PP4/Year 1 5 - 6 years.

It is situated along the Langata Road and shares a delightful twenty acre site with the Main Preparatory and Secondary School. There are 6 spacious classrooms with a self-contained, well-equipped playground and a

purpose built 'Pavilion' /Hall.

It has ready access to the Main School Swimming Pool, Video Auditorium, Computer Lab, Library, Sports Hall and Playing Fields.

## School Ethos

- Traditional values developed by modern methods
- Respect of peers and elders and compassion for the less fortunate of society.
- A relaxed and friendly atmosphere which provides the backdrop to a culture of rigorous academic endeavour.
- Positive behaviour encouraged in a three

way partnership between students, parents and teachers.

- Parents free to visit the school and enjoy a good relationship with the academic staff.
- Young people trained to take responsibility for everything they do
- Active participation in school affairs encouraged.

## The Curriculum

The school follows the academic year, which commences in early September and has 3

terms: Sept. – Dec, Jan – March, and April – July. Pupils may join the school at any point during the academic year.

The children are taught in a mod-
