*Miss. Julia Bradfield
Head*

The School runs from year 2 (6-7 years old) to Year 6 (10-11 years old). We are a fast growing school with 2 stream entry.

We are a British curriculum school with academic standards as well as a wide range of extra curricular activities. We have specialist

teachers in all subjects from year 5 and for some subjects in the lower school.

The children are very happy at school. The disci-

pline is extremely good. Because the children are happy and secure here they do not need to

be disruptive or cause trouble. After year 6 the children transfer to Secondary School which is on the same site.

We encourage interested parents to visit our school to see for themselves the lessons and feel the happy, caring environment the children are learning in.

The Curriculum

The School runs to the British National Curriculum with some adjustments to make the

lessons more relevant to Kenya.

We take external exams in June and mark with other schools. This helps with accountability.

Music

Many children have individual music lessons, covering a range of instruments.

The Orchestra is growing fast.

Sports

Apart from physical fitness we teach different sports e.g. Hockey Rounders

Soccer Rugby Netball and many more. Our School takes part in interschool matches.

Activities run by teachers including

- Board games
- Sewing / knitting
- Football
- Computer club
- Beading
- Origami

Extra Curricular Activities

- Tae kwon do
- In line skating
- Horse riding
- Lamda
- Golf

There are a number of activities during the week. On Thursday afternoon everyone does an activity.
